Hello,
I am 23 years old. I am American and speak English and Spanish Fluently. I also speak and comprehend some Italian. I am looking for work starting April. I charge 8-10 Euros an hour. Depending on the actual circumstance and time period, compromises can be made. I have an extensive amount of experience working with children from 3 months to 12 years of age, and have worked in elementary schools and day cares. I also am available for teaching English to children and adults.

I am very professional, responsible and reliable.
