
Diagonal Mar/Group to organise English activities

Posted by mmcabruja - 2008/05/25 11:14

I'd like to contact with families living in Diagonal Mar area and look together for an English speaking nanny to organise activities for the children (3 or 5 days a week). My son is 10 months old (as per May 08).

Or I would also be interested in contacting an English speaker who is already organising activities for children.
