
Boys Snow Boots - Brand New

Posted by criddington - 2008/10/14 11:19

For sale: brand new boys snow boots, US size 7 (about a European size 23-24 or UK size 6).

They are blue suede with black rubber soles and black furry lining, very cute and cosy. Bought new in US last week, but too small for my little man's big feet :-).

15 Euros or nearest offer.

Let me know if you're interested; I could meet you anywhere around Poble Nou or Traversera de Gracia. Thanks!
