
Golf classes for kids

Posted by James Marshall - 2007/12/17 22:24

Hi everyone,

I am a golf teacher working at the Pitch and Putt course Can Rafel near Corbera de Llobregat about 30 mins from Barcelona and run a series of kids classes. The classes are on Saturday mornings from 10 to 11 and then from 11 to 12. We had about 20 kids this autumn. The second series of 10 classes is set to start on 2nd February and the cost per child is 60 euros. We cover all aspects of the game and in the last class the kids get a chance to play on the course in our end-of-course friendly team competition. The classes are limited to kids of 5 and over. All equipment provided, classes given in Spanish, Catalan and English. For more information, please don't hesitate to get in contact via the forum or by e-mail at jaumem67@hotmail.com

Hi. My son has just spent a week learning golf at Mas Pages, for Colonias. He loved it but the instruction was in Catalan, which he doesn't understand! I am interested in him joining the next group of lessons, as I am aware they have already started, we are new to BCN, and do not yet have a car. When does the next group start?

Thanks for the post. We started the latest courses on 9th February and it will run until 19th April, only missing out Easter Saturday. Cost 6 euros per session, 2 classes one from 10 to 11 and another from 11 to 12. Still a few places in the first group. Without a car getting there might be a bit tricky, I'll give you my phone number and we can talk about how to get there if you're interested. We'll also be running an intensive course at Easter from Monday 17th to Thurs 20th from 9 to 3.

Thanks

James
