Hey!

My name is Agata and I'm 21 years old polish medical student.

I'm going to spend all my summer in Barcelona- exactly in Castelldefels.

During two weeks I will do my summer internship in hospital on pediatric department and during the rest time I'm free:)

I'm active person, that's why I'm looking for extra activities to do during this time. I want to learn as much as I can, Spanish culture, language and people:)

My last summer I spent also in Spain, in Almeria where I took care of two amazing small boys:)

If you need more information, let me know and I will help you to get to know me better:)

I love children and spend time with them!

If you want, I could talk and help them with English.

My Spanish is still not perfect but I hope, soon my level will be excellent:)

I'm available from 6th July! And till now I'm busy only these 2 weeks during mornings. My schedule then is flexible until I don't fill it:)

Hope to hear from you soon!

Agata :cheer:
